Heerenveen, 26-04-2019

Dear Member of the ISU, dear athlete, dear coach,

Following the first and very successful Road to Ice camp in 2018 and after having received several requests to organize another camp this year, Thialf Academy is happy to announce that there will be a Road to Ice camp 2019 from 15th – 21st July!

All international athletes who would like to participate in this camp are welcome.* During the camp there will be complete access to the Thialf 400m long track indoor skating oval. Access to the short track oval is also available. We are able to minimize the fee per athlete to 295 Euros including hotel accommodation with full board (breakfast, lunch & dinner), access to the skating oval, gym, coaching, seminars and participation in the Summer Cup competition.

* (A letter of recognition from national ISU member needs to be provided, please find an example letter on our website).

The Road to Ice camp is aimed firstly at athletes who have little to no experience with ice speed skating but who have great athletic potential and wish to train with highly skilled coaches. More experienced athletes are also invited to join the camp, we can tailor their programs to suit their abilities. Coaches who would like to join the camp are welcome to attend all training-sessions and seminars for the price of 135 Euros. Board and lodging are not included in this offer, coaches are to organize board and lodging themselves. There will be a certificate to confirm participation in the camp as an athlete or coach.

Athletes will arrive on Monday 15th of July with the official program commencing in the evening. Training starts on Tuesday 16th of July. The week concludes on Saturday 20th July with the Summer Cup. Departure will be on Sunday 21st July. A detailed program of the camp will be released at a later date once registrations have been received.

For registration or expressions of interest please use the contact form below.
If you require ice skates and/or a skating suit, please notify us on the contact form.

We look forward to providing the athletes and coaches with an unforgettable learning experience.

Kind regards,

Management and coaches Thialf Academy
